Warrant Articles

To the inhabitants of the Town of Temple, NH in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Ninth Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To see if the Town of Temple, NH shall vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. *(3/5 majority vote needed)*

Article 3: To cast your ballots to the proposed amendments to the Zoning Ordinance.

THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the thirteenth Day of March next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Asphalt and Paving Expendable Trust Fund, for the purpose of asphaltting and paving roads and to raise and appropriate the sum of Twenty Thousand dollars (\$20,000.00) for this fund and to name the Board of Selectmen as agents to expend from this fund. *(Selectmen Recommend)*

Article 5: To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Highway Vehicle and Equipment Maintenance and Repair Expendable Trust Fund, for the purpose of highway vehicle and equipment maintenance and repair and to raise and appropriate the sum of Five Thousand dollars (\$5,000.00) for this fund and to name the Board of Selectmen as agents to expend from this fund. *(Selectmen Recommend)*

Article 6: To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fire Department Vehicle Maintenance and Repair Expendable Trust Fund, for the purpose of Fire Department vehicle maintenance and repair and to raise and appropriate the sum of Three Thousand dollars (\$3,000.00) for this fund and to name the Board of Selectmen as agents to expend from this fund. (*Selectmen Recommend*)

Article 7: To see if the Town will vote to create an expendable trust fund under the provision of RSA 31:19-a, to be known as the Town Building Maintenance and Repair Expendable Trust Fund, for the purpose of town building maintenance and repair and to raise and appropriate the sum of Two Thousand dollars (\$2,000.00) for this fund and to name the Board of Selectmen as agents to expend from this fund. (*Selectmen Recommend*)

Article 8: To see if the Town will vote to raise and appropriate the sum of \$1,215,771.00 for town charges as the operating budget and other necessary maintenance and operating expenditures. (*Selectmen Recommend*)

Article 9: To see if the Town will vote to discontinue the 2008 Celebration Capital Reserve Fund, created by Article 11, March 17, 2007 Town Meeting for the purpose of the Town's Birthday Celebration in 2008. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Temple General Fund. (*By petition.*)

Article 10: To see if the Town will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2 II. The money received from fees and charges for recreation programs and donations shall be allowed to accumulate from year to year, and shall not be considered to be part of the Town's general fund. The Town Treasurer shall have custody of all monies in the fund and shall pay out the same pursuant to the policy developed by the Town (upon order of the Board of Selectmen). The funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditures shall be made in such a way as to require the expenditure of other town funds that have not been appropriated for that purpose. (*By petition.*)

Article 11: To see if the Town will vote to raise and appropriate the sum of Thirty Thousand dollars (\$30,000.00) to be placed in the Bridge Capital Reserve Fund previously established by Article 12, March 17, 2007 Town Meeting. (*Selectmen Recommend 2-1*)

Warrant Articles

Article 12: To see if the Town will vote to raise and appropriate the sum of Three Hundred Fifty Thousand dollars (\$350,000.00) (Gross Budget) for the purpose of construction of the Putnam Road Bridge and to authorize the selectmen to apply for, obtain and accept any federal, state or other aid if any which may be available for the Project, said appropriation is entirely contingent upon a maximum of \$280,000 or 80% of the actual cost being approved and funded by any such aid. (*Selectmen Recommend 2-1*)

Article 13: To see if the Town of Temple will vote to raise and appropriate the sum of Sixteen Thousand dollars (\$16,000.00), which is 38% of the total cost, to purchase and equip a new police cruiser. This purchase is dependent on passage of a similar article by the Town of Greenville for the remaining cost of the cruiser (62%). (*Selectmen Recommend*)

Article 14: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to support the Contoocook Valley Transportation Cooperative. (This expenditure would become part of the budget in subsequent years.) (*Selectmen Recommend*)

Article 15: To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) (Gross Budget) to purchase and install generators at the Municipal Building/Fire Station and Town Hall/Highway Garage/Library complex and to authorize the Selectmen to apply for, obtain and accept any federal, state or other aid, if any which may be available for the Project, said appropriation is entirely contingent upon a grant of \$20,000 being approved and funded by any such aid. (*Selectmen Recommend 2-1*)

Article 16: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to create an East Cemetery Extension Capital Reserve Fund, for the purpose of creating and expanding the land on the easterly side of the East Cemetery donated by the Clinkenbeards and accepted March 8, 1994 as a new cemetery, and further to appoint the Selectmen as agents to expend from this fund. (*Selectmen Do Not Recommend 2-1*)

Article 17: To see if the Town will vote to raise and appropriate the sum of Seventy Five Thousand Dollars (\$75,000.00) to purchase and equip a truck for the Fire Department to be used as a Brush Truck/First Response Vehicle and to authorize the Selectmen to trade in or sell the 1985 Chevy Dump Truck/Forestry

Truck and to authorize the issuance of not more than \$75,000.00 in bonds or notes in accordance with the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. *(2/3 Ballot vote required) (Selectmen Do Not Recommend 2-1)*

Article 18: Are you in favor of adopting the provisions of the State of New Hampshire RSA's Chapter 79-F "Taxation of farm structures and land under farm structures". The full text of this provision is on file with the Town Clerk, Municipal building, Route 45, Temple, NH or on the web at NH.gov. *(By petition)*

Article 19: To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President. Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage". *(By petition)*

Article 20: The town of Temple shall petition the court within 90 days to "Quiet Title" the property known as the "Town Pound" since it cannot show a deed of ownership and does not have a tax card that references the property. "Quiet Title" will allow the NH Court system to start the process where the "Town Pound" property may legally be transferred to the Town of Temple. *(By petition)*

Article 21: To see if the Town of Temple shall vote to follow the example of other New Hampshire towns by publishing in the Annual Town Report, a separate page which clearly states the total pay and compensations paid to each of its full, part-time, or temporary employees. This page will indicate the employee's name, total salary, hourly wages, overtime, and all other compensations or benefits paid. *(By petition)*

Given under our hands and seal this 17th day of February in
the year of our Lord, Two Thousand and Nine,

Select Board Report

Your Select Board had a very busy year in 2009. Town business in the first half of the year included working with FEMA to clean up the debris from the December 2008 ice storm that remained on our roads and other public areas. FEMA paid 75% of our costs for the clean up as well as some of the cost incurred while keeping resident's houses from freezing. Those expenses included the purchase of fourteen portable generators which we have in storage ready for use should they be needed in the future. We are still waiting for an additional 12.5% the State has committed to pay.

We also worked with Tim Fiske early in '09 on the purchase of the road grader and were pleased to receive \$58,200 of federal funds to offset the cost of that equipment. Our thanks to Tim for his perseverance in chasing down this funding and for negotiating a very favorable purchase price with Caterpillar.

Temple's Economical Energy Committee (TEEC) received a \$330,000 grant to improve the energy efficiency of the Library and municipal building/fire station. The Select Board worked in conjunction with TEEC in a competitive bidding process and the result was the selection of a Leed certified contractor who will start work this winter. That grant will cover the cost of the new roof on the municipal building/fire station so the \$25,200 expenditure approved at last year's town meeting will not be necessary. Please read the TEEC Report for a more detailed explanation of the work that will take place in 2010. Our thanks to TEEC for making Temple a model for energy efficiency state wide....and our congratulations to them for being selected as one of four Clean Air-Cool Planet national award winners.

Given the economy, the budget for 2009 was streamlined and expenses were watched very closely through out the year. In 2009 \$115,000 of surplus was used to lower tax rate. We have finished 2009 with an under expenditure of approximately \$139,000 (unaudited) and hope to be once again in a position to use some surplus dollars to lower the 2010 tax rate. With tight budgets comes the need to carefully watch cash flow. Working with the Budget Advisory Committee and the Town Treasurer we improved our monitoring procedures in 2009 and plan to continue that work in 2010.

We continue to work with area towns to purchase goods and services at rates favorable to Temple. An example of our purchases was a multi-town purchase of fuel oil for this winter at \$1.85 per gallon. Our agreements with Greenville for police services and Wilton for recycling continue to work very well; both contracts had reductions in costs for 2010. Changes in the Wilton-Lyndeborough-Temple ambulance service have caused those expenses to rise somewhat; we are still working to reduce those costs. The new ambulance that we agreed to contribute \$30,000 toward last March is now in service.

Since the vast majority of your tax bill is school related, the Select Board has invested a substantial amount of time supporting the excellent work of our School Board representative, Gail Cromwell who continues to encourage that Board to provide transparency in both the bond issue and the 2010-2011 budgets. We have also taken an active role in the Selectman's Advisory Committee (SAC) to ConVal and led the district wide work to revamp the expense allocation system across the ConVal towns.

The Temple Historical Society spearheaded a project last summer to restore our Town Pound. We joined them on this project and we now have another historical site in Town that we can all be proud of. Our thanks to Steve Cullinan, Will Cullinan, Jon Pearson and Dick Benotti for all their work on that project.

We would like to take this opportunity to thank all of the residents who volunteered their time on Town Boards last year. Without them the Town could not operate. We have openings on a wide variety of Town Boards coming up and encourage anyone who is interested in serving to contact any member of the Select Board.

Respectfully submitted;

John Kieley, *Chairman*

Tedd Petro

Mike Darnell

Budget Advisory Committee

For the year of 2009, the Budget Advisory Committee worked to get the budget categories to be more standardized. The BAC would like the taxpayers to have a very transparent and consistent budget going forward. We interviewed all departments and had very clear and efficient meetings with all. As chairman for the year, many thanks to all members and department heads for their involvement throughout the year.

The BAC recommends the following for 2010:

- A budget total of \$1,147,158
- Expendable and revolving trusts for certain expense categories
- Selectmen do not consider raises
- Out-of-town services (police, ambulance, recycling center) be budgeted at 2009 total or less
- \$2000 interest for Tax Anticipation Notes.

Respectfully submitted,

Steve Andersen, *Chairman, BAC*

BAC Members:

Mike Davidson, *Vice Chairman*; Ben Tirey, *Minute Taker*;
Honey Hastings; Bruce Kullgren, Jr.; Shawn Smith;
and Selectman Michael Darnell, *Ex-Officio*

Capital Improvements Program

The New Hampshire legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP) was developed in 2004 with assistance from all of the town's departments. The resulting plan was intended to be a living document that would be updated each year to reflect the town's changing needs. The CIP has updated that plan in each subsequent year. We, again, incorporated input from the town departments to provide recommendations to the Select Board for consideration at town meeting.

The CIP committee's goal is to try and keep the Capital Improvement budget as flat as possible, while emphasizing protection of current infrastructure and town services, and deferring equipment replacement as much as is prudent.

The CIP met again in 2009 with the heads of each town department to discuss each item in the plan and to ascertain any new requirements on the horizon.

The committee recommends the following projects be considered for 2010:

Fire Department: Accident Response Vehicle / Forestry Truck. (\$75,000): After much discussion & debate the CIP Committee recommends that the current brush truck be replaced by a new crew cab F550 Diesel four wheel drive chassis with a custom utility body to receive the existing pump and tank to serve as a light pumper / accident response vehicle / forestry truck.

Town Government: The Skladany Land (\$50,577): The Town of Temple voted to purchase this land in March of 2005. The recommended amount constitutes the annual amount due.

Highway Department: Road Grader (\$44,109): The Town's grader was purchased in 2009. The recommended amount constitutes the annual amount due.

Bridges: Engineering Work (\$30,000): The CIP also recommends that money be allocated to the Bridge Capital Reserve Fund allowing the Powers Rd. Bridge (scheduled to be rebuilt in 2013) to retain its place on the State list of Bridges that need to be rebuilt.

Cemetery: Expansion (\$10,000): The Town's Highway Department is currently converting the old gravel pit for cemetery use as fill becomes available. It is recommended that a yearly expenditure of \$10,000 be approved allowing the cemetery expansion to be built in phases. It is expected that the new facility will be available in 2017.

Capital Improvements Program

Police Department: Police Cruiser (\$17,500): The CIP Committee recommends that the Town pay its share (approximately 38%) of replacing one of the 3 police co-op cruisers in 2010.

Conservation Commission

The Conservation Commission met regularly throughout 2009. One of our first tasks was to assist Temple citizens in dealing with the devastating December 2008 ice storm. The Commission hosted a workshop in March led by the UNH Cooperative Extension Service and the Hillsborough County Forester. They provided valuable information on how to assess tree damage and the best management practices for cleaning up our properties.

The hiking trails on town-owned lands were significantly impacted by the 2008 ice storm. The trail to the White Ledges has since been cleared, thanks to Eric Foley. The Commission has recently applied for a grant to the NH Bureau of Trails to clear the Town Forest and the Chris Weston property trails that still remain impassable.

Three conservation easements were finalized in Temple this year. Richard and Mary McAdoo donated an easement on the 12.7 acres surrounding their farm on Cutter Road. The Commission is appreciative to the McAdoo's for their generous gift. The second easement is on a 12 acre parcel owned by Mary Jane Wolbers on Hill Road. This tract includes a lovely brook, varied terrain and habitat, and adjoins other protected land. The third easement was placed on the town-owned Chris Weston Conservation Area on Route 45. The town had previously voted

Dave & Ann Repak

Conservation Commission

to permanently protect this property at the March 2009 town meeting. All three easements are held by the Monadnock Conservancy, ensuring that the land will be protected forever.

During the year, the Commission contracted for an aquifer study with Hillier & Associates of Augusta, Maine to help identify and map the gravel and bedrock aquifers of our town. The project is in its final stages and is expected to be completed in March 2010. The results of the study will provide data on the location of these aquifers, many well locations, and fractured openings in the bedrock where water collects. This information will be included in our Natural Resource Inventory and made available to the public. The Commission will present the findings in a public forum after the study is complete.

The Conservation Commission currently has openings for two new members. Our work is valuable to the well being of our town and rewarding to its members. Please consider joining our effort.

The year started out quite snowy. We were busy pretty much every day dealing with snow, ice, drifting snow, or cold temperatures. The weather had calmed down by February so we were able to start cutting down the limbs that were still hanging everywhere from the December ice storm. I hired Koster Tree Service Company to take down the high limbs while we worked on some of the lower ones.

Spring started to work its way in by early March. We had a couple of “spring” snowstorms but nothing too severe. We had a worse than usual mud season this year, probably due to all the rain and ice in December and January. At Town Meeting it was voted in the affirmative to buy a new road grader.

In April and May we were busy with road grading and clean-up. I hired Bruce Heck and his crew to pick up all the brush along the roadsides then pile it up across from the ballpark. It made quite a pile! In June, a company called Pro-bark came in with a huge grinding machine and ground all of the brush into chips then hauled it away in trailer trucks. It took about 4 days and they made nearly 50 trailer loads of chips.

In June and July, the highway crew worked mostly on West Rd. We cleaned all the ditches and culverts, replaced several culverts, installed over 1000’ of underground drainage, shimmed several rough areas with new pavement, and then sealed the entire road with liquid asphalt. All of this work took longer than expected due to the excessive rain showers. By the end of August, the summer of 2009 was declared the fourth wettest summer on record for the state of NH.

After dealing with piles of paperwork, we received a grant of \$58,200.00 towards the purchase of our new grader. In August, I took delivery of our new Caterpillar grader. This is definitely a “state of the art” machine that will serve us well for many years to come.

In the fall, we spread about 2000 ton of gravel on gravel roads, put up our winter sand piles, graded and smoothed all the gravel roads, then prepared the equipment for winter.

Winter did not really come until December this year. Then it came with several snow storms and a little bit of ice. Fortunately, there were no big ice storms.

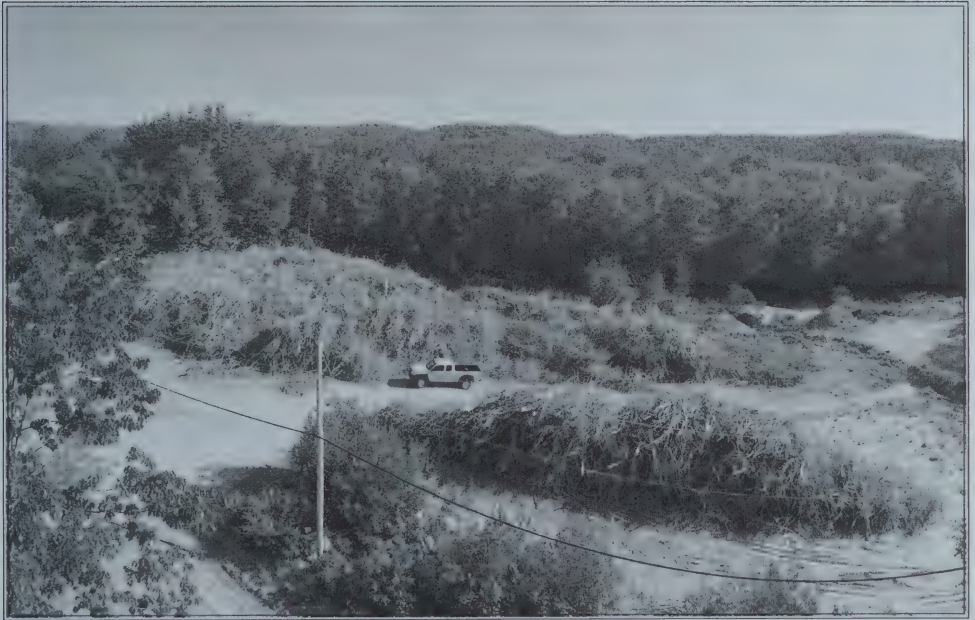

Highway Department

In the summer of 2010, we will be concentrating a lot of our work on Mansfield Rd., Cutter Rd., Hill Rd., and Moran Rd. There is not enough money in the budget to do much paving on these roads, so we will be doing a lot of patching, shimming, and sealing instead. Just exactly what we end up doing will depend upon the price of asphalt at that time.

There is also a possibility that we will be replacing the bridge on Putnam Rd. this year. That will depend upon whether we can get State funding or not. Hopefully, we will know this by the time Town Meeting in March comes around.

Cemetery

The first thing that had to be done in the spring was to clear away all the limbs that had come down in the ice storm. Four gravestones had been hit and knocked over but fortunately were not broken. We were able to put them back where they belonged. Koster Tree Service came in with their bucket truck and removed all the limbs hanging from the ice storm. In 2010, we will probably have to remove two more of the large pines as they are beginning to show signs of ants and rot.

We were fortunate to have the space at the site of the new cemetery to pile all of the brush from the ice storm. It proved to be just enough room after I removed the row of stones in the front. After the mess was cleaned up, the stones were put back in place. If the funds are available, we will start building a stonewall at the front of this area in the summer.

Temple-Greenville Police Department

In 2009 we had a decrease in the number of motor vehicle incidents and arrests due to our patrol efforts. Because of our speed enforcement patrols, the officers have observed motorists driving more slowly, which results in fewer accidents. Our DWI cases were also down; however, we did see an increase in our disorderly conduct cases.

The addition of part-time officer Rick Sprankle, a twenty-four year veteran of the Nashua PD, and the drug enforcement expertise of Sgt. Richard D'Auria, a twenty-two year veteran of the NH State Police, has enabled us to solve our burglaries. The fact is that the majority of burglaries are drug related. We have solved thirteen burglaries in Temple, Greenville, and neighboring towns. Six individuals are incarcerated awaiting trial for those burglaries. Our other drug related arrests included stopping a professional marijuana growing operation.

We begin the year of 2010 with the continued commitment to do our best. The Temple-Greenville Police Department has the 'best of the best' police officers. Our officers have a combined total of over 150 years of training and experience in law enforcement. The joint board and I have worked hard each and every month to keep costs down and provide excellent service to our citizens. I thank all of you for your support.

Respectfully,

James H. McTague, *Chief of Police*

Town of Wilton Ambulance Department

There have been many changes this year to the Ambulance Department. We acquired a new ambulance and equipment, renovated our building, had a name change, and had a change in leadership. Any one of these events would be a major occurrence, but to have all of them happen within a year is a major accomplishment.

In March at the Town Meetings, the voters approved \$160,000 to acquire a new ambulance to replace the 1997 ambulance; along with the new ambulance, we acquired new cardiac monitors/defibrillators. The Association raised over \$11,000 to put toward these monitors. This new technology now brings us up to state standards and gives us state of the art capabilities. The ambulance has several safety features, just look at the paint job and lighting as examples. There is reflective striping around the ambulance, especially on the rear of the vehicle. The cardiac monitor/defibrillator can now send your ECG directly to the hospital Emergency Department, prior to our arrival. If you are having an MI (Heart Attack), you may bypass the Emergency Department (ED) and go straight to the Cardiac Cauterization Lab for definitive care with the ED having this information prior to our arrival.

Our building needed some work. The Hillsborough County Department of Corrections supplied the Labor for free, and our Ambulance Association paid for the materials. This was all done at no cost to the taxpayers. Since there are people staying at the station at night on a more regular basis, we turned our former bunkroom/dayroom into a bedroom. The office was turned into a dayroom, and a small piece of the training room was converted into an office. We also fixed the back exterior wall of the building that was exposed to the elements for a several years, had a roof leak fixed, and fixed the ceiling that was falling down in the garage. We are almost complete with these renovations. They will be back to complete the job and button up the loose ends.

There has been some confusion about the name of the ambulance service. From 1974 until 2007, The Wilton Lyndeborough Volunteer Ambulance and Rescue Association ran the ambulance. In 1997, when Temple came on, the name was changed to Wilton Lyndeborough Temple EMS. In 2008, the town of Wilton began operating the ambulance, but the Wilton Lyndeborough Temple EMS Association still existed. This caused several issues, so, through the Wilton

Selectman, we changed the name to the “Town of Wilton Ambulance”. We are still just as committed to the towns of Lyndeborough and Temple, but felt that this needed to be done to clear up any confusion between the two entities.

In May, after serving for well over a decade as director, and over 20 years as a provider Caryl McEntee, bid us a fond farewell. The Wilton Selectman asked me to take over as Director, and then Chief. I have found a great bunch of EMS providers, and am proud to be at the helm of this fine organization of 30 providers.

Breakdown of responses in 2009:

I want to thank the volunteers on the service, the Selectman, and the citizens of the three towns for their support and assistance in this time of transition. I hope that everybody will have a happy and healthy 2010, and all of us at the Town of Wilton Ambulance look forward to serving the towns of Wilton, Lyndeborough and Temple well into the future.

Respectfully Submitted,

Gary Zirpolo, EMT-Paramedic

Volunteer Fire Department

The Temple Volunteer Fire/Rescue Department was called upon to serve our community a total of 135 times this year. The calls that we responded to were handled quickly and professionally and thankfully, all of our members returned home safe.

Our call volume remained about the same this year. Thankfully, we have a new computer system and software that we received the year before which is helping make the never ending paperwork process a bit easier for tracking personnel attendance and call volume more easily.

We saw a slight increase in the amount of car accidents we were called to. The accidents we faced this year were more complex and involved more severe occupant injuries and vehicle damage. We were faced with larger vehicles being involved in accidents including dump trucks and tractor trailers. Our equipment and staff were put to the challenge more than once with the extreme extrications that were required.

We were able to again take advantage of some great training classes to expand our department expertise. We were able to host a Farm Safety class that was taught by three gentlemen from Penn State. They spent the weekend with us in May teaching various extrication processes for equipment that is found on local farms and even everyday backyards, i.e. snow blowers, chippers and the like. We were also able to take advantage of GPS training, and as always EMS training is ongoing.

One item that is being researched for the department/town to purchase is a new HD cab and chassis. Our hope is that this new vehicle will replace the existing brush truck and also serve as a First Response vehicle. The extra cab space will allow capacity for four members versus the two that we can carry now with the existing brush truck. This vehicle will also help to lengthen the age of the existing Engine, which technically is due to be replaced in 2023 and will enable us to provide better coverage. We will be able to utilize the equipment already on the existing brush truck therefore reducing the total cost of the overall vehicle.

Our Fire and Rescue Department continues to grow and learn and it is our goal in 2010 to continue to gain more training and knowledge to let us help better serve and protect our town of Temple. We stand ready and willing to serve when that call comes in.

As always, the TVFD and the Auxiliary always welcome people who are able to devote some time to our department. If you are looking for a way to help out your town, please consider joining the TVFD or if unable to join the department but are willing to provide support consider joining the TVFD Auxiliary.

Respectfully submitted,

Michael Connolly, *Fire Chief*

Forest Fire Warden

2009 was a second year in Temple with few outdoor fires. The weather cooperated greatly. We would encourage you to continue to clean up your properties if you still have debris from the December 2008 ice storm. Any questions about burning call Fire Warden Joe Cournoyer or Deputy Fire Warden/Fire Chief Mike Connolly.

Permits needed may be obtained from Warden Joe Cournoyer (878-1479) or Deputy Warden/Fire Chief Mike Connolly (209-0699). Remember, permits are necessary unless the ground is covered with snow.

Joe Cournoyer, *Temple Forest Fire Warden*

Forest Fire Warden & State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of NH Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in NH. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The NH Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

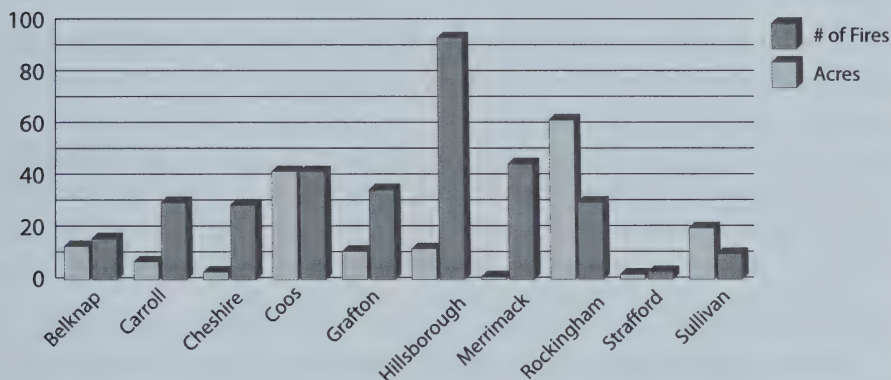

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently, both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly, the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter.

Many homes in NH are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Planning Board

In keeping with the slow economy, there has been little subdivision activity this year.

After several extensions the Five Gates Farm Realty Planned Residential Development Application off Revolutionary Road was abandoned. We reviewed and approved four minor subdivisions and two lot line consolidations.

In February a public hearing was held to present a proposed zoning amendment that would regulate wind turbines, which was approved by the voters in March.

A new Driveway Regulations document was reviewed, with the final version being voted by the board into the town's Subdivision Regulations.

Also in February, the Cool Monadnock Project presented results from an audit of the town's Master Plan and land use documents. One recommendation was to consider adding an energy chapter to the Master Plan, which the Planning Board agreed to look at in conjunction with the Temple Economical Energy Committee (TEEC).

The following officers were elected for the year: Chairman – Allan Pickman; Vice Chairman – Randy Martin; Secretary – Rose Lowry.

Over the course of several meetings the board conducted extensive study and discussion about workforce housing. A proposed zoning amendment will help ensure the town is in compliance with a new state law that mandates such development be allowed under zoning regulations. Home business and commercial portions of the zoning regulations also underwent review and revision. All three topics will be presented for a vote of the townspeople next March.

My thanks and appreciation to my fellow board members for their hard work and support during the past year, and to Betsy Perry for her patience, hard work, and good humor.

Respectfully submitted,

Allan Pickman, *Chairman*

Zoning Board of Adjustment

During 2009 the Temple Zoning Board of Adjustment held five public hearings: one hearing of an application for a variance and four hearings of a case from 2008 remanded back to the Board from the New Hampshire Supreme Court.

The ZBA also held three public meetings, including one with members of the Planning Board to discuss proposed changes to the Temple Zoning Ordinance.

We were saddened by the death in October of our clerk Diane Nilsson who served the Board and our town with dedication and skill over many years. She is greatly missed.

I would like to thank the members of the Board for their service and contributions in 2009: Honey Hastings our Vice-Chair, Jenny Houston, Mary Beth Ayvazian, Dave Martz and Randy Burnham.

We have an opening for an Alternate. If you are interested please contact me.

Mansfield Public Library Report

Our patrons may notice a new face at the library. Anne Foley has joined us as a library assistant /substitute. Welcome, Anne!

We held February and April craft workshops for children . The spring computer workshop had several adults polishing their computer skills.

Ben Kilham came in June to share his unique and interesting experiences with bears and his own struggles with dyslexia. 60 people enjoyed this presentation.

“Summertime and the Reading is Easy” had 26 children participating. They enjoyed crafts and local field trips and read 361 books!

The library pie and book sale at the Harvest Festival went well. We had 34 pies to sell and about 50 books. The total raised was \$469.00. Many thanks to our wonderful pie bakers!

The preschool still comes to the library to read 1-2 times per month.

The library roof is now completely redone. We have also replaced some of our interior and exterior lighting and have had interior emergency lights installed.

Linda B. facilitated a wonderful clay sculpture workshop for a capacity group of children and parents in December.

The Recreation Department and the Preschool Executive Board have had meetings at the library this year.

Our wonderful volunteers help us so much and we are always grateful to have them: Meredith, Hannah, Lya, Kendra, Amber and Linda B. Thank you!

Our phone number is 878-3100. E-mail is mansfieldlibrarynh@comcast.net. We participate in the audio book consortium through the state library. Any books we don't have can often be acquired through Inter Library Loan. There is a public access computer and seating for laptop users in the library. We also provide a copier and fax for public use.

Recreation Commission

2009 was a fairly good year for Recreation. After the 2008 ice storm some fence and tree damage had to be rectified. Thanks to the Highway Department most of this was completed without hurting our budget.

Thanks to the efforts of Wayne and Patty Edwards we instituted a Music Festival, which we hope to make an annual occurrence. We are thankful for many private donations of money and help from Will Whalen, Dan Cournoyer, Ken Carpenter, Jean Darnell and many others it was a success.

We get many people that give us help in many areas during the year. Thanks to all. We could use more members on the Commission. If anyone is interested contact Joe Cournoyer at 878-1479.

Animal Control

It was a busy year for the Animal Control Dept. Below is a list of some of the calls we handled.

Dog Owners please take note all dogs over the age of 4 months old must be licensed by April 30 each year, RSA 466:1. The dog tag should be placed around the dogs neck. Not only will this help me return your pet if it gets lost, but it's a State law.

Monadnock Family Services

Monadnock Family Services is actively serving members in your community through the provision of quality mental health counseling services to anyone who needs them regardless of their ability to pay. MFS offers a variety of services for persons who experience a range of personal mental health problems, including mental illnesses, emotional and psychological issues. Our substance abuse programs help people to develop new healthy behaviors and to make positive changes in their lives, while our family programs give new mothers the tools they need to bring happy and healthy children into the world. MFS also offers prevention services for youth at risk of substance abuse and mental health problems.

The cost to MFS to serve uninsured persons has increased steadily with more people seeking help and care, but who cannot afford to pay. Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Temple will continue. We pursue many other sources of funding, such as The Monadnock United Way, grants and conduct additional fundraising efforts through our Board of Directors. Each source helps with only a portion of the total cost of care.

We thank you for your many years of financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. therefore, based on figures from the 2008 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 for each resident of the town, which for the town of Temple, amounts to \$1920.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thank you for your consideration.

Temple Economical Energy Committee

Highlighted by winning a \$332,100 RGGI grant from the Public Utilities Commission to provide deep energy efficiency work for three of Temple's municipal buildings and to expand our energy conservation program, TEEC had a productive and outstanding year!

Our free weatherization program for the homes of residents in need ran through March of last winter, and we picked it up again this season with the generous support of the Congregational Church of Temple. We also continued our recycling program for Town Meeting, Good Roads Day, the Half-Marathon and the Harvest Festival--all in all, recycling trucks full! And our energy conservation efforts expanded, last spring, as we met with the Planning Board to discuss the adoption of various recommendations from the '08 energy audit of the Master Plan and Zoning Ordinances. The board authorized TEEC to create an Energy Chapter for the Master Plan, and we submitted its first draft to the board in November. Two combined (TEEC/PB) subcommittees also worked on zoning ordinance upgrades for work force housing and home and commercial businesses.

When the Harvest Festival Committee learned that Temple was about to receive a 2009 "Climate Champion Award" for having "modeled a common sense path for successful municipal energy efficiency work", they invited TEEC to create the festival's Special Exhibit to share our accomplishments. So we filled Town Hall with exhibits to show residents what that "common sense path" was and what our grant will provide for Temple, enabling us to lower the town's energy usage and tax burden. We pinpointed our painstaking documentation process, such as the in-depth municipal energy inventory we conducted, the professional energy audits we obtained for the Municipal Building/FD and Mansfield Library and the follow-up professional data analyses and reports which were presented to the BOS and Planning Board and will later be used to measure Temple's energy and cost savings once the buildings are upgraded. We also offered educational material, hand-outs of energy saving tips, live demonstrations of a wind monitor and solar panels at work, viewings of a home weatherization film, updated climate news, ongoing showings of a DVD on climate solutions, a live inter-active event for kids on recycling, and drawings of Earth from Temple's 2nd graders; plus cider and pastries.

On October 24, we joined over 5,000 cities and towns world-wide that held events to raise awareness about the urgent need to reduce the level of CO₂ in the atmosphere from 387 ppm back down to 350 parts per million—known to be the safe, sustainable level for human life. We invited residents to join a “350 Balloons Bash” at Town Hall where we blew up 350 recyclable balloons, had photos taken for the Transcript and for selected internet sites, and then popped them all (!) as a fun way of calling attention to this critical issue. Then, in November, we held a “Neighbors Helping Neighbors” gathering to brain-storm and prioritize action items our residents would like to see implemented locally and regionally when planning begins to take shape in response to the 2009 NH Climate Action Plan. And, most newsworthy of all, once Governor Lynch signed Temple’s grant award, last fall, TEEC and the BOS formed a Building Committee to get the retrofitting project underway! You can follow its progress, get energy-saving tips, read about RGGI, “Cap & Invest”, Temple’s “Climate Champion Award” and get updated environmental news on our new (2009) website: www.teec.info

Project Lift

LIFT provides free educational instruction to adults from many communities from Henniker to Temple. We help people find new employment, increase new skills to retain their employment, teach computer skills, as well as math, English and GED preparation skills.

Since 1992, over 800 students have been served through Project LIFT Literacy Program. 504 of those students were from Hillsborough, Washington or Deering, 14 from Temple.

- 172 students achieved the GED certificate since 1992
- Average age of LIFT students is 24 years
- Over 320 volunteers from Hillsborough and surrounding towns tutor students for our program
- Since 2005, tutors have given over 7,955 hours to our program.
- Areas of study include: GED preparation, English as a Second Language, English, Math, Reading Comprehension, Basic Life Skills, Driver's License Education, Resume Writing, Computer Skills and more.

Project LIFT is a non-profit 501C-3 and receives funding from various sources including the towns it serves, the NH Bureau of Adult Education, local businesses and charities.

In 2009, 18 students achieved their GED certificates. Seven students were from Hillsboro, others live in surrounding towns. 40% of the 55 students served through the LIFT office completed an educational level.
